## **LGP Insider**

*A quarterly newsletter that highlights LaGuardia Gateway Partners' activities.*

### **Welcome to the *LGP Insider!***

LaGuardia Gateway Partners LLC (LaGuardia Gateway Partners or LGP) is the team selected as preferred proposer by the Port Authority of New York and New Jersey to redevelop and operate the new Central Terminal Building (Terminal B) at LaGuardia Airport. You can learn more [about our team](#) on our website.

Our quarterly newsletter will provide regular updates on our activities and the redevelopment project, and highlight recent and upcoming events where LGP connects with the Minority- and Women-owned Business Enterprise (M/WBE) community. We hope you enjoy the read.

### **Port Authority advances Central Terminal Building Redevelopment Project**

The Central Terminal Building (Terminal B) Redevelopment Project is moving forward. During its March 24 meeting, the Port Authority Board of Commissioners approved the lease with LGP to design, build, finance, operate and maintain a new Terminal B. The lease also includes the construction of a new Central Hall, a key recommendation of Gov. Andrew Cuomo's airport advisory panel, and supporting infrastructure such as new roads and a parking garage.

This is another milestone for the project and the LGP team is excited about the opportunity to build a state-of-the-art terminal and supporting infrastructure to serve New York City and the entire region.

More about the project's advances:

## Participation in outreach events

The first quarter of the year has been a busy one. Our LGP team has attended a number of recent Port Authority events to participate in conversations about M/WBE certification and provide information about upcoming opportunities with the Terminal B Redevelopment Project.

Events are regularly held, most covering similar topics about upcoming opportunities and the project's timeline. Watch the [Port Authority's Business Opportunities page](#) and the [Upcoming Events section](#) of our website for future event listings.

## Upcoming opportunities

Our team is aligned with the Governor's vision to make the new LaGuardia Redevelopment project inclusive. We have been working with the Port Authority and Empire State Development (ESD) to help realize this vision and maximize participation of minority- and women-owned businesses.

LGP will solicit subcontracting opportunities through the Port Authority and ESD databases. Before that process can begin, LGP and the Port Authority must finalize the agreements of the project, which we're currently advancing together. Find out details about the project and timeline from the Port Authority's [Feb 18](#) and [Mar 24](#) board meetings.

To receive information about work packages when they become available, please make sure your

contact information is accurate and up to date in the Port Authority and/or ESD databases.

Here's a snapshot of some of the subcontracting opportunities that will be available in the coming months:

- Drainage / Erosion Control
- Utilities
- Maintenance of Traffic
- Roadway Lighting
- Interiors
- Landscape Architecture
- Specialist Systems
- Sustainability
- CADD Service
- VDC / BIM

If you're not already registered as an M/WBE with the Port Authority or ESD, please visit their respective websites for more information:

### **Now hiring!**

There are exciting opportunities for employment with LGP as we begin operations and redevelopment of the Central Terminal Building.

Working with LGP is a chance to be part of a new approach to airport development, management and operations and to be part of key infrastructure revitalization in one of the world's greatest cities.

We'll be hiring highly qualified people in the following areas:

- Airport operations, including
  - Customer care
  - Safety
  - Security
- Project management
- Health and safety
- Legal
- Finance
- Communications and community relations
- Human resources
- Concession marketing
- Administration
